oppose rezoning request No. ZAJ-20-5: We are landowners/residents opposing this rezoning, noise from 14 Rem. Carolina would strongly disrupt our property/home.

Good day Ms. La Place,

Thank you for the opportunity to join in this hearing. These concerned landowner petitioners wrote many notes, frequently applauding the ACC while asking for consideration, that can also be sent to you. We look forward to receiving additional information from the hearing which is reported in the news but we did not see in the plans. Thank you for your efforts and consideration.
